Your Path with Codes Student Placement Application

This application is confidential and sacred.

It is an honor that you are considering spending time with the Anahata Codes. That you are even considering such a step in your evolution can be scary sometimes. I encourage you to breathe into your answers and allow yourself the space and time to consider each question as an opportunity for clarity and growth. This is a powerful shift towards your expansive self, the self that already birthed and has access to your deepest desires of service for the world. I honor and congratulate you! When done, email this application to: AnahataCodes@outlook.com. Anahata will be reaching out to you to schedule a discovery session during which, and based on your answers, she will advise you on the potential path to take with the Anahata Codes.

If I could wave a magic wand, the first think I would transform in my life would be:

True or False: I consider myself a Master Manifestor.

The area of my fulfillment which needs the most balance is:

- A. Health
- B. Purpose
- C. Abundance
- D. Relationships
- E. All of the Above
- F. None of the Above (why? Or list other)

What's the inner vision for your life and why do you want that?

Finish the sentence:

The fear (or perceived reality) which is holding me back the most from being fulfilled is?

Are you currently living on purpose? (Pursuing your passions in exchange for – or in desire of – money as “a living”?)

What do you need to realize the goals you have for your life?

Have you taken a class from Anahata? If so, which one(s)?

Answer the following:

I plan on preparing myself to get Certified as an Anahata Codes Practitioner. Y/N

I plan on making Anahata Codes part of what I offer my clients in some way. Y/N

I plan on infusing my BUSINESS model with Anahata Codes. Y/N

What (if any) Vibrational assistance do you use right now to align with your goals (including prayer, vision-boards, self-mastery, affirmations, energy modalities, etc.)

Do you currently have a “bread job” and if so, are you planning on transitioning out of it when your gifts materialize to support you? If you don’t have a “pay the bills” job, what’s the situation? Do you need to make a certain amount of money by a certain time? Explain.

On a scale of 1 – 10, 1 being “sort of – when fear isn’t in the way” and 10 being “I AM ready to make it happen”, how committed are you to discovering and developing your gifts?
